### Bid / Non-Bid Decision Page

Are you planning to submit a bid for this project?

- Yes     No

**NOTICE: A current pre-qualification for projects with estimates of \$500,000.00 or more is required.**

See <http://www.dot.utah.gov/cns/prequal1.htm>

**If a Pre-bid meeting is required and you did not attend, your bid will be considered "non-responsive" after bid opening.**

Submit

You will be asked to make a Bid/Non-Bid Decision  
Choose Yes or No and Click Submit  
Your response will be recorded to the Plan Holders List  
and you will be taken immediately to the plan set.

### Bid / Non-Bid Decision Page

Are you planning to submit a bid for this project?

- Yes     No

**NOTICE: A current pre-qualification for projects with estimates of \$500,000.00 or more is required.**

See <http://www.dot.utah.gov/cns/prequal1.htm>

**If a Pre-bid meeting is required and you did not attend,  
your bid will be considered "non-responsive" after bid opening.**

Submit

You will be asked to make a Bid/Non-Bid Decision  
Choose Yes or No and Click Submit  
Your response will be recorded to the Plan Holders List  
and you will be taken to the Plan Set Download.

## Ready to Download Drawing Set

Thank you for downloading your plan sets from the Ebid Information System. We have recorded your Bid/NoBid decision and you may continue to download the proper file by pressing the **Download Drawing Set** link below. You will need to store the .EXE file on you hard drive or local network. Remember where you put it so that you may retrieve the drawings at a later date. The drawings are encapsulated in a viewing program. You will only need to download this one file. To view, print and measure from these drawings, just double click the .EXE file from your Windows File Explorer and you will be immediately in the drawing set.

You may return to the UDOT Bid Open Information Table by clicking the Back button on your web browser.

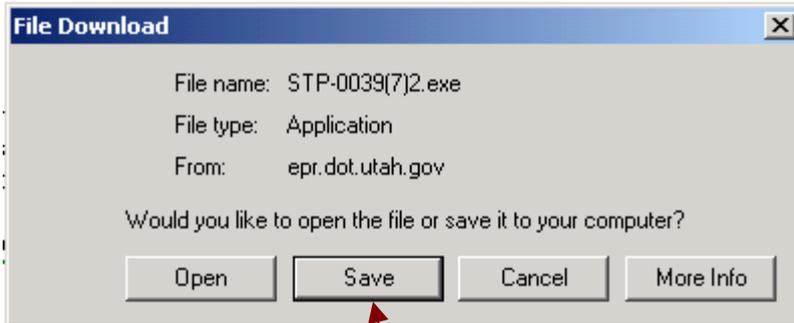

---

Thank you very much and we look forward to working with you,

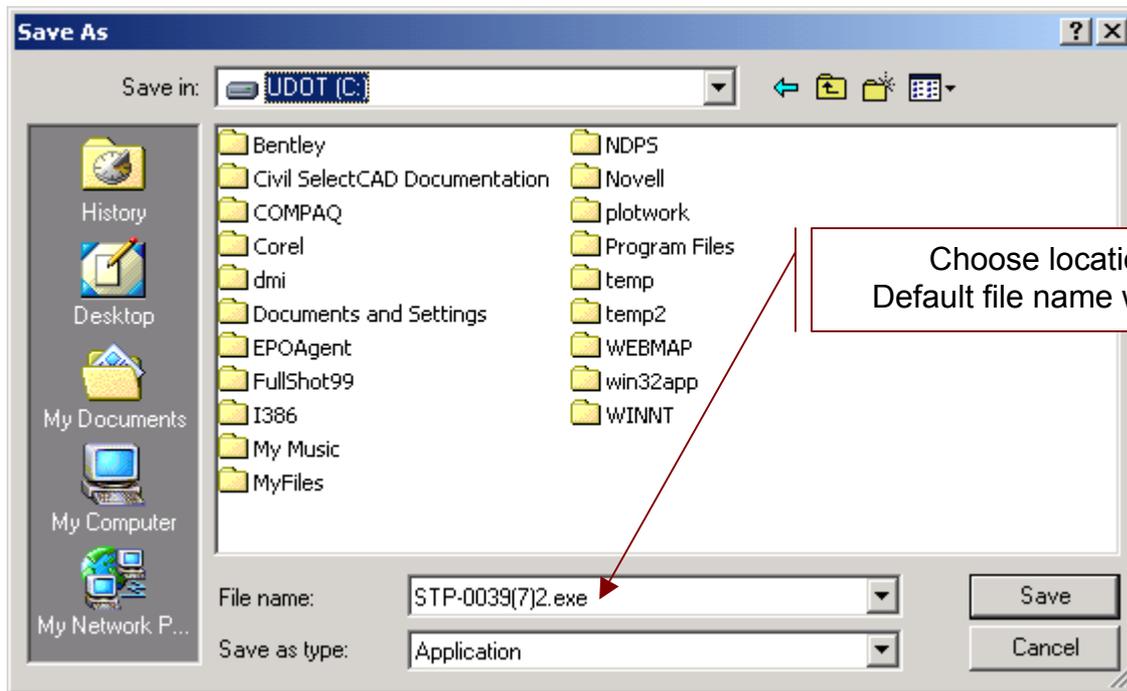

**Utah Department of Transportation**

[DOWNLOAD DRAWING SET](#)

Click Here to Download the Drawing Set  
 Save file to your hard drive in a location where you  
 can find it. Drawing Set will be saved as a stand  
 alone executable file with a built in viewer.

After clicking Download click Save

Choose location to save project.  
Default file name will be Project Number

After saving file locate on your hard drive and double click file to be taken immediately to the Drawing Plan Set

To print individual files or Folders, click on the file or folder you want to print and hit the print button.  
To Print the Entire Plot Set, click on the 'Root' Folder.

Attributes	Values
Plot Set Name	BRF-0210(1)13_STR
Sheet Name	1
Group / Discipline	
Sheet number	

The Portable Plan set viewer has all the functions of the online version.  
Simply 'Right Click' on the drawing to access these features.
