

## DESIGN-BID-BUILD

### INVITATION TO PARTICIPATE IN A PROJECT PREVIEW

UDOT Region 4 invites you to participate in a project preview for a project that is tentatively scheduled for advertisement in **November 2016**.

**Project Name: I-15 Brigham Road to Dixie Drive**

#### Project Highlights:

- Additional travel lane construction
- Existing structure widening and full reconstruction
- Approximate project value: \$18M to \$24M

#### Project Preview:

UDOT Region 4 is providing project information to contractors and suppliers for the above named project. This will be a fast tracked project with potential long lead time items. The information contained in the preview package consists of draft documents provided for information only.

UDOT Project Preview is a preconstruction partnering tool that is used for specific projects. Contractors are allowed a preview of the draft construction plans and documents to proactively identify any constructability issues, understand phasing, and material requirements. The preview period provides an opportunity for contractors to form partnerships, strategize project approach and secure resources. All contractors' responses and review comments provided during the preview period will be held in strict confidence by the project team.

Any comments or questions regarding the project should be directed to the project manager.

Project Manager:  
Kim Manwill  
Phone: 435-896-0733  
Email: [kmanwill@utah.gov](mailto:kmanwill@utah.gov)

**Contractors are also asked to share this invitation with suppliers and subcontractors who might be interested in the project as well. No contractor will be excluded from participation in either the overall program or project reviews**
