Design-Build Project

To all Interested Parties and Short-listed Proposers,

On May 12, 2016 the Department advertised a Request for Qualifications (RFQ) for this Design-Build project. The Department received Statements of Qualification from interested teams and determined a shortlist of proposers (see attached SOQ Shortlist) according to the RFQ.

The next step in the Design-Build procurement process is to advertise the Request for Proposals (RFP) and receive technical and price proposals from the shortlisted proposers. The Department anticipates that the RFP will be advertised mid-August of 2016. The Department will only accept proposals from the teams identified on the SOQ Shortlist. No other proposals will be accepted or opened.

Sincerely,

A handwritten signature in blue ink that reads "Marwan Farah".

Marwan Farah, P.E.  
Region 2 Project Manager
